

**University of Rochester Medical Center (URMC) VQI Smart Texts (ETX)**

The main smart texts (that the user will access) are in **bold** text. Regarding the smart texts not in bold--> The user will not access these directly, but they will need to be in your system because they feed into the main smart texts.

ID	Name	Purpose and Use
21011044	URMC SUR VASC VQI PERIPHERAL VASCULAR INTERVENTION	PVI- procedure tab data (user adds to Op note)
1997314700	PVI DETAILS	This smart text feeds into the smart text above
1997300600	VQI ARTERY MULTIPLE LESION FOLLOW UP	User adds to Op note only if documenting on more than one artery
1997300500	URMC SUR VASC VQI PERIPHERAL VASCULAR INTERVENTION FOLLOW UP	PVI- follow up form (user adds to follow up visit note)
1997315300	PVI DETAILS 2	This smart text feeds into the smart text above
1997300600	VQI ARTERY MULTIPLE LESION FOLLOW UP	User adds to follow up note only if documenting on more than one artery
21011044	URMC SUR VASC VQI CEA	CEA - procedure tab data (user adds to Op note)
1997300000	URMC SUR VASC VQI CEA FOLLOW UP	CEA- follow up form (user adds to follow up visit note)
1997300100	URMC SUR VASC VQI CEA DISCHARGE	CEA- discharge summary containing items from Postop tab
21011049	URMC SUR VASC VQI CAS	CAS - procedure tab data (user adds to Op note)
1997301500	URMC SUR VASC VQI CCA LESION	This smart text feeds into the smart text in bold above
1997301600	URMC SUR VASC VQI BIFURCATION OR ICA LESION	This smart text feeds into the smart text in bold above
1997301700	URMC SUR VASC VQI CCA AND BIFURCATION OR ICA LESION	This smart text feeds into the smart text in bold above
1997301800	URMC SUR VASC VQI CAS FOLLOW UP	CAS- follow up form (user adds to follow up visit note)
21011050	URMC SUR VASC VQI IVC FILTER	IVC filter- history tab and procedure tab data (user adds to Op note)
1997300900	URMC SUR VASC VQI IVC FILTER FOLLOW UP	IVC filter- follow up form (user adds to follow up visit note)
21011048	URMC SUR VASC VQI OPEN AAA REPAIR	Open AAA repair - procedure tab data (user adds to Op note)
1997301000	URMC SUR VASC VQI OPEN AAA FOLLOW UP	Open AAA repair- follow up form (user adds to follow up visit note)
21011064	URMC SUR VASC VQI HD ACCESS	HD Access - procedure tab data (user adds to Op note)
21011065	URMC SUR VASC VQI HD AVF AUTOGENOUS	This smart text feeds into the smart text in bold above
21011070	URMC SUR VASC VQI HD AVF PROSTHETIC GRAFT	This smart text feeds into the smart text in bold above
21011065	URMC SUR VASC VQI HD NOT AUTOGENOUS	This smart text feeds into the smart text in bold above
1997301100	URMC SUR VASC VQI HD ACCESS FOLLOW UP (0 to 6 months)	HD access- follow up form (user adds to follow up visit note)
1997301200	URMC SUR VASC VQI HD ACCESS FOLLOW UP (12 months)	HD access- follow up form (user adds to follow up visit note)
21011001	URMC SUR VASC VQI AMP	LE Amputation- procedure tab data (user adds to Op note)
21011003	URMC SUR VASC VQI MULTIPLE	User adds to Op note only if documenting on a bilateral amputation (this smart text is used for the second leg)
1997300700	URMC SUR VASC VQI AMP FOLLOW UP	LE Amputation- follow up form (user adds to follow up visit note)
1997300800	URMC SUR VASC VQI AMP MULTIPLE FOLLOW UP	User adds to follow up visit note only if documenting on a bilateral amputation (this smart text is used for the second leg)
21011004	URMC SUR VASC VQI INFRAINGUINAL BYPASS	Infrainguinal bypass- procedure tab data ( user adds to Op note)
21011005	URMC SUR VASC VQI SUPRAINGUINAL BYPASS	Suprainguinal bypass- procedure tab data (user adds to Op note)
1997300200	URMC SUR VASC VQI LOWER EXTREMITY BYPASS DISCHARGE	Infra and Suprainguinal bypass- discharge summary containing items from Postop tab
1997300300	URMC SUR VASC VQI LOWER EXTREMITY BYPASS FOLLOW UP	Infra and Suprainguinal- follow up form (user adds to follow up visit note)
1997312000	URMC SUR VASC VQI ENDOVASCULAR AAA DISCHARGE	EVAR- discharge summary containing items from Postop tab
1997300400	URMC SUR VASC VQI ENDOVASCULAR AAA FOLLOW UP	EVAR- follow up form (user adds to follow up visit note)
21011042	URMC SUR VASC VQI AAA ENDO	EVAR- history and procedure tab data (user adds to Op note)
1997311300	VQI PROXIMAL AORTIC EXTENSIONS 1	Feeds into the EVAR procedure smart text above
1997311400	VQI PROXIMAL AORTIC EXTENSIONS 2	Feeds into the EVAR procedure smart text above
1997311500	VQI PROXIMAL AORTIC EXTENSIONS 3	Feeds into the EVAR procedure smart text above
1997311600	VQI ILIAC DEVICE 1	Feeds into the EVAR procedure smart text above
1997311700	VQI ILIAC DEVICE 2	Feeds into the EVAR procedure smart text above
1997311800	VQI ILIAC DEVICE 3	Feeds into the EVAR procedure smart text above
1997301300	URMC SUR VASC VQI TEVAR DISCHARGE	TEVAR- discharge summary containing items from Postop tab
1997301400	URMC SUR VASC VQI TEVAR FOLLOW UP	TEVAR- follow up form (user adds to follow up visit note)
1997301900	URMC SUR VASC VQI TEVAR IMAGING	Feeds into the follow up TEVAR smart text above
1997311200	VQI TEVAR ORGAN ISCHEMIA DETAILS	Feeds into the follow up TEVAR smart text above
21011057	VQI TEVAR PROCEDURE	TEVAR- history and procedure tab data (user adds to Op note)
21011055	URMC SUR VASC VQI TEVAR ANEURYSM	Feeds into the TEVAR procedure smart text above
21011056	URMC SUR VASC TEVAR DISSECTION	Feeds into the TEVAR procedure smart text above
21011067	URMC SUR VASC TEVAR TRAUMA	Feeds into the TEVAR procedure smart text above
21011069	URMC SUR VASC TEVAR WITH GENETIC HISTORY	Feeds into the TEVAR procedure smart text above
21011068	URMC SUR VASC TEVAR AORTIC THROMBUS	Feeds into the TEVAR procedure smart text above
21011060	URMC SUR VASC TEVAR RIGHT/LEFT	Feeds into the TEVAR procedure smart text above
21011061	URMC SUR VASC TEVAR BILATERAL	Feeds into the TEVAR procedure smart text above
21011062	URMC SUR VASC TEVAR AORTIC, ABDOMINAL	Feeds into the TEVAR procedure smart text above
21011063	URMC SUR VASC TEVAR AORTA, ASCENDING	Feeds into the TEVAR procedure smart text above
21011058	URMC SUR VASC TEVAR OPEN FEM	Feeds into the TEVAR procedure smart text above
21011071	URMC SUR VASC VQI AORTIC DEVICE IMPLANTED	Feeds into the TEVAR procedure smart text above

**VARICOSE VEIN smart texts**

1997314600	SUR VASCULAR HISTORY AND PHYSICAL- Vein (VQI)	Complete H&P note for Vein patients (contains VQI fields from the History and Current Status tab***)
1997314200	SUR PROCEDURE STAB PHELBECTOMY	Complete Op note for Stab Phlebectomy (contains VQI fields for Procedure and Postop tab)
2102243	SUR PROCEDURE RFA	Complete Op note for RFA (contains VQI fields for Procedure and Postop tabs)
1997314800	SUR VASCULAR FOLLOW UP- Vein (VQI)-RFA	Complete follow up note for RFA (contains VQI fields on follow up form***)
1997315000	SUR VASCULAR FOLLOW UP- Vein (VQI)-STAB	Complete follow up note for Stab Phlebectomy (contains VQI fields on follow up form***)
1997313000	VQI VEIN MULTIPLE	User adds to RFA or Stab procedure note only if documenting on more than one vein
1997315100	VEIN TREATMENT PLAN	Feeds into the Varicose Vein notes above
1997315200	CONSERVATIVE PLAN (VEIN)	Feeds into the Varicose Vein notes above
1997313800	VARICOSE VEIN REFLUX AND THROMBUS	Feeds into the Varicose Vein notes above
1997312900	VARICOSE VEIN CHEMICAL	Feeds into the Varicose Vein notes above

We don't currently use the following smart texts, but they might be beneficial if you don't build the visit navigator items on the left.

1997312700	VARICOSE VEIN CURRENT STATUS
1997313300	VARICOSE VEIN FOLLOW UP RIGHT SIDE
1997313400	VARICOSE VEIN FOLLOW UP LEFT SIDE
1997313600	VARICOSE VEIN ANNUAL FOLLOW UP RIGHT SIDE
1997313700	VARICOSE VEIN ANNUAL FOLLOW UP LEFT SIDE
1997313900	VENOUS ULCERS C6
1997313500	URMC SUR VASC VQI VARICOSE VEIN FOLLOW UP (ANNUAL)
1997313200	URMC SUR VASC VQI VARICOSE VEIN FOLLOW UP (30 DAY)

**Left Leg CEAP**

Class  None=C0  Spider/Reticular veins=C1  Varicose veins=C2  Edema w/o skin changes=C3  
 Skin changes (pigment, dermatitis, lipodermatosc...  Lipodermatosclerosis and atrophie blanche=C4b  Healed ulcer=C5  Active Ulcer=C6

Etiology  P=Primary  S=Secondary (D/V/T)  C=Congenital

Anatomy  S=Superficial  D=Deep  P=Perforator

Pathophysiology  R=Reflex  O=Obstruction  B=Both

**Left Leg Venous Clinical Severity Score**

Pain  0=None  1=Mild (occasional, non-restrictive)  2=Moderate (interferes with, but does not prevent regular activity)  3=Severe (limits most regular activity)

Varicose Veins  0=None  1=Mild (few, scattered)  2=Moderate (multiple, confined to calf or thigh)  3=Severe (multiple, involve both calf and thigh)

Edema  0=None  1=Mild (limited to foot and ankle areas)  2=Moderate (extends above the ankle but below the knee)  3=Severe (extends to knee and above)

Pigmentation  0=None  1=Mild (limited to perimalleolar area)  2=Moderate (diffuse, involves lower third of calf)  3=Severe (diffuse, involves > lower third of calf)

Inflammation  0=None  1=Mild (limited to perimalleolar area)  2=Moderate (involves lower third of calf)  3=Severe (involves > lower third of calf)

Induration  0=None  1=Mild (limited to perimalleolar area)  2=Moderate (involves lower third of calf)  3=Severe (involves > lower third of calf)

Active Ulcers  None  1  2  3

Ulcer Duration  0=None  1=<3 Months  2=3-12 Months  3=>12 Months

Largest Diameter  0=None  1=<2 cm  2=2-6 cm  3=>6 cm

Compression Rx  0=None  1=Intermittent  2=Most Days  3=Everyday

**Right Leg CEAP**

Class  None=C0  Spider/Reticular veins=C1  Varicose veins=C2  Edema w/o skin changes=C3  
 Skin changes (pigment, dermatitis, lipodermatosc...  Lipodermatosclerosis and atrophie blanche=C4b  Healed ulcer=C5  Active Ulcer=C6

Total 22

Patient Reported Symptoms tool on visit navigator- populates Vein H&P and Follow up notes.

**Patient Reported Symptoms LEFT leg**

Heaviness  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Achiness  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Swelling  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Throbbing  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Itching  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Vein appearance  Not at all noticeable  Slightly noticeable  Moderately notice...  Very noticeable  Extremely noticeable

Impact of LEFT leg symptoms on ability to work/perform usual daily activities over the past week  No effect  Symptoms but full work/activity  Mildly reduced work/activity  Moderately reduced work/activ...  Severely reduced work/activity  Unable to do work/activity

**Patient Reported Symptoms RIGHT leg**

Heaviness  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Achiness  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Swelling  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Throbbing  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Itching  None of the time  A little of the time  Some of the time  A good bit of the...  Most of the time  All of the time

Vein appearance  Not at all noticeable  Slightly noticeable  Moderately notice...  Very noticeable  Extremely noticeable

Impact of RIGHT leg symptoms on ability to work/perform usual daily activities over the past week  No effect  Symptoms but full work/activity  Mildly reduced work/activity  Moderately reduced work/activ...  Severely reduced work/activity  Unable to do work/activity

**Resume Work/Normal Activity**

Number of days after procedure before patient could resume work/normal activity  N/A - no  N/A - this  1  2  3  4  5  6  7  8  9  10  11  12  13  14  15  16  17  
 18  19  20  21  22  23  24  25  26  27  28  29  30

Below are the recommended synonyms to add to the main smart texts listed in **BOLD** on Page 1. This system will make it easy for the providers to find the correct smart texts.

SEARCH ON **"VQI OP NOTE"** to find all procedure-related VQIs smart texts.

Match: <b>VQI OP NOTE</b>
Title
<b>URMC SUR VASC VQI AAA ENDO (aka VQI OP NOTE)</b>
URMC SUR VASC VQI AMP (aka VQI OP NOTE)
URMC SUR VASC VQI CAS (aka VQI OP NOTE)
URMC SUR VASC VQI CEA (aka VQI OP NOTE)
URMC SUR VASC VQI HD ACCESS (aka VQI OP NOTE)
URMC SUR VASC VQI INFRAINGUINAL BYPASS (aka VQI OP NOTE)
URMC SUR VASC VQI IVC FILTER (aka VQI OP NOTE)
URMC SUR VASC VQI OPEN AAA REPAIR (aka VQI OP NOTE)
URMC SUR VASC VQI PERIPHERAL VASCULAR INTERVENTION (aka VQI OP NOTE)
URMC SUR VASC VQI SUPRAINGUINAL BYPASS (aka VQI OP NOTE)
URMC SUR VASC VQI TEVAR PROCEDURE (aka VQI OP NOTE)

Add the synonym "VQI Op Note" to all main procedure-related smart texts

SEARCH ON **"VQI DIS"** to find the four VQI discharge smart texts.

Match: <b>VQI DIS</b>
Title
<b>URMC SUR VASC VQI CEA DISCHARGE</b>
URMC SUR VASC VQI ENDOVASCULAR AAA DISCHARGE
URMC SUR VASC VQI LOWER EXTREMITY BYPASS DISCHARGE
URMC SUR VASC VQI TEVAR DISCHARGE

Add the synonym "VQI Discharge" to all main procedure-related smart texts

SEARCH ON **"VQI FOLLOW"** to find all the VQI follow up smart texts.

Match: <b>VQI FOLLOW</b>
Title
<b>URMC SUR VASC VQI AMP FOLLOW UP</b>
URMC SUR VASC VQI AMP MULTIPLE FOLLOW UP
URMC SUR VASC VQI CAS FOLLOW UP
URMC SUR VASC VQI CEA FOLLOW UP
URMC SUR VASC VQI ENDOVASCULAR AAA FOLLOW UP
URMC SUR VASC VQI HD ACCESS FOLLOW UP (0 TO 6 MONTHS)
URMC SUR VASC VQI HD ACCESS FOLLOW UP (12 MONTHS)
URMC SUR VASC VQI IVC FILTER FOLLOW UP
URMC SUR VASC VQI LOWER EXTREMITY BYPASS FOLLOW UP
URMC SUR VASC VQI OPEN AAA REPAIR FOLLOW UP
URMC SUR VASC VQI PERIPHERAL VASCULAR INTERVENTION FOLLOW UP
URMC SUR VASC VQI TEVAR FOLLOW UP

Add the synonym "VQI Follow" to all main procedure-related smart texts
