

GIVE ME FIVE

The Vascular Quality Initiative® (VQI) has been driving quality improvement for the past several years. Now, with over 500 centers, 500,000 procedures, and 12 registries, we can't think of a better way to celebrate our success than offering new and existing participants more opportunities to improve vascular care.

New VQI Customers

Give us a chance to show you the power of your data. Choose FIVE or more registries and your site will save \$2,500 off of the subscription fee your first year! Contracting must be initiated by December 31, 2018 and fully executed by March 1, 2019 to receive this promotional pricing. This price is valid for the first year of the contract.

Current VQI Customer

Thank you for playing such a big role in our success. Add an additional VQI registry to your package, and receive a one-time \$500 credit off of the subscription fee, per site, at the time of renewal. Contracting must be initiated by December 31, 2018 and fully executed by March 1, 2019 to receive this promotional pricing.
