PSO Representative Attending Meeting: Caroline Morgan

I. Presentations:

No Presentations

II. General Discussion and Questions

- a. LTFU rates. One successful center has access to surgeon's EMR.
- b. Decrease in EVAR LOS attributed to patient education, setting of expectations, early entry of discharge orders.
- c. EVAR Sac Diameter. Access to surgeon's EMR and radiology reports has been a successful workflow for some centers.
- d. Decrease in HDA participation in our region, may be due to insufficient reporting options. HDA will soon have addition of follow-up reporting, which may increase participation.

III. Action Items (including QI projects):

- a. Region challenged to submit 2 Quality Charter by year end

IV. Nominations (AQC, VQC, RAC, Medical Director):

Dr. Stone resigned as Regional Arterial RAC representative. Nominations will open Spring 2023. Nominations will open Spring 2023 for open Regional Associate Medical Director position.

V. Next Meeting:

- a. Request to have Leka Johnson send out doodle poll for group preference of meeting venue, day of the week and best meeting time.
