I. Presentations:

No Presentations

II. General Discussion and Questions

- a. LTFU rates. One successful center has access to outpatient medical records.
- b. Continue to see low numbers for EVAR Sac Diameter. Suggestions include: add to office note; ensure numeric measurement is documented on radiology report.
- c. Newly launched Vascular Verification Program – partnership between SVS and ACS (American College of Surgeons)

III. Action Items (including QI projects):

- a. Region asked to reach out with any ideas for QI projects

IV. Nominations (AQC, VQC, RAC, Medical Director):

Current positions with 3-year term ending &/or vacant. Nominations are open.

Dr. Oscar Grandas nominated for RAC, awaiting more nominations for all positions.

Time commitment: AQC meets every other month, VQC meets quarterly.

V. Next Meeting:

- a. Request Leka Johnson send out doodle poll for group preference of meeting venue (remote, in-person, hybrid), day of the week, and best meeting time.
