I. General Discussion and Questions

Things we are doing well as a region-

Postop stroke/death for both symptomatic and asymptomatic CEA & TCAR

EVAR postop LOS

Preop smoking rate

Areas for regional improvement-

LTFU (RMVQI has the lowest LTFU completion % rate of the entire VQI)
EVAR sac diameter reporting at time of LTFU
Preop ABI/Toe pressure collection for PVI on claudicators

II. Action Items (including QI projects):

Ideas for potential new QI projects discussed as follows:

- Hashtag project to track reasons why patients are being lost to follow up
- Data managers to collectively discuss methods for locating patients and devise a checklist of all possible ways to obtain LTFU

III. Nominations (AQC, VQC, RAC, Medical Director):

- Emily Malgor, MD, University of Colorado Regional Medical Director
- Associate Medical Director nominations open now

IV. Next Meeting: July 19-22nd Deer Valley, UT
