

# VQI Annual Meeting 2018

## Wednesday June 20th (Day 1)

The VQI Annual Meeting is designed for physicians, nurses, data managers, quality improvement professionals and administrators. The entire VQI Quality team will benefit from attending all sessions on Wednesday. The morning sessions focus on how the care team can analyze VQI data to initiate QI projects. The afternoon sessions will focus on case studies, programmatic updates and research presentations, derived from VQI datasets. A continental breakfast will be available in the morning, and a working lunch will be provided, along with water and soft drinks throughout the day.

**Please note:** If physicians have time constraints on Wednesday, we suggest that they attend from 10:15 AM through the Poster and Networking session, which takes place from 5:30PM – 7:00PM.
